Wiring Harness Connection Diagram

Main technical parameters	
Model	YD-100-30
Rated power	100W
Rated Impedance	8Ω/11Ω
Frequency Range	200-5000HZ
Distortion	≤5%
Sound pressure level	≤124dB
Operating temperature	-40°C —+65°C
Dimension	156*128*57 (mm)
Features	<ol style="list-style-type: none"> 1. 100 Watt compact speaker 2. Slim and Low profile design 3. Optimum performance with highest sound pressure 124dB 4. Waterproof, corrosion resistance, good sealing
